

**RAVEN REPORT
FEBRUARY 2008**

- 1. Our Hockey Day in Canada festivities was a tremendous success. Special thanks to our Board of Directors for their efforts in making this day very successful. I would also like to thank those who took part in our special raffle for this event. Almost 500 cans were collected and \$116.00 in cash was donated. All the proceeds went to a local charity-St. Vincent de Paul Society.**
- 2. A reminder that March 29th will be the last day for floor hockey. The regular schedule will be followed on that day. Participation awards will be awarded to each player following their scheduled games. Refreshments(pop, juice, water) will also be provided. Information in regards to next year's floor hockey season will be available in print form.**
- 3. I must remind some people that we are tenants in this fine facility and must abide by the rules set down by the landlord. We do pay rent but we must abide by the rules of the building-children must be supervised at all times, the lower classroom(west side of building) is "out of bounds" during the day, and we are expected to keep the facility as clean as possible. We still have some people leaving their "trash" in the gym but for the most part people are throwing away their "trash" in the proper receptacles located outside the gyms. We thank you for this and hopefully those who are still leaving their "trash" in the gym see the "errors of their ways".**
- 4. Players must keep their helmets on at all times during the game. It has come to our attention that some players are removing their helmets while on the bench. Coaches, please ensure that players do not remove their helmets while on the bench. Also I must also remind parents and players that the benches are for players only and everyone else must be seated behind the boards. This includes the benches located next to the "blue gym divider". For obvious safety reasons this area is "out of bounds" during the game.**
- 5. We are looking into obtaining a website for our league. Details are being worked out and once completed, we will inform you of our e-mail address and how you will be able to access our site for floor hockey information.**
