

RAVEN REPORT
JANUARY 09

1. Welcome back to all our participants. Hopefully all had a very enjoyable holiday season. We are now in the second half of our floor hockey season. We feel that the first half of the season went very well and are looking forward to a successful second half.
2. Hockey Day in Canada this year is on February 21. We are once again planning special festivities for our program on that day. More details to follow as we get closer to the event.
3. We do not mind that you bring drinks/food into the gyms but please dispose of properly. This is an ongoing problem but we ask for your co-operation in this matter. Any spillage, please tell us immediately.
4. Please(if possible) support our 50/50 draws. The monies raised from the draw are put towards our wrap up party/awards day in March.
5. If you have any concerns/questions please do not hesitate to contact any board member.
6. Picture Day January 24th.
7. People watching the games should be seated behind the boards. Please refrain from putting children in the open areas behind the benches on the playing floor. This is not to be used as a viewing area. The benches are there for a particular purpose to aid in the playing of the game not for seating purposes. This is a liability issue and we ask for your co-operation.

Yours in floor hockey
